## Civil fee payer categories

### Who pays the standard fee rate?

People and businesses who pay the standard rate include:

- individuals
- sole trader businesses
- businesses set up as a partnership
- businesses with a turnover of less than \$200,000 in the last financial year
- not-for-profit organisations
- the executor or administrator of a deceased estate

If a company believes that they are a standard fee payer and they are filing by email, they need to complete the 'MCV Fee Payer Statement' with their fee document to state their turnover is less than \$200,000.

### Who pays the corporate fee rate?

Businesses with a turnover of more than \$200,000 in the last full financial year pay the corporate fee rate.

For example, if a fee document is filed in April 2024, use the turnover from the 2022/2023 financial year.

Schools and government organisations are part of this fee category.

### Who pays the concession fee rate?

Fees are lower for Health Care Card holders issued by the Commonwealth Government. This is the only card accepted for concession fees.

If the fee payer has another type of concession card, they are not entitled to the concession rate, but may be eligible for a fee waiver.
